WE NEED YOUR SUPPORT TO CONTINUE HELPING YOUNG ADULTS WITH UNIQUE ABILITIES

Making a difference. That's what it was all about – improving the lives of young adults with special needs. It was a wish for our family, that became a reality and now, it's a mission. Since 2015, The de Moya Foundation has fostered hope, confidence and independence to insure successful employment outcomes. All thanks to you.

The support we provide the employee and employer is what makes our approach unique.

With our support, young adults are, for the first time in their lives, realizing there is a potential deep inside them that they have yet to unlock. We ask you to please help us in continuing to improve the lives of young adults with Autism, Down syndrome, Fragile X, Intellectual Disability and Cerebral Palsy.

Please join us at our upcoming Gathering of Hearts Gala, your loving support will allow us to continue making a difference in our resilient and talented program participants. We currently have over 35 young adults waiting for The de Moya Foundations support.

It's simple: OPEN YOUR HEARTS TO ENDLESS POSSIBILITIES.

**Our Employment Program has over 70 Employer Partners
and 90 young adults employed in multiple fields.**

Together we are Bridging Dreams to Reality.
