# ABOUT THE DE MOYA FOUNDATION

The de Moya Foundation is a 501(c)(3) non-profit organization founded in 2015 as a labor of love and passion to make a difference in the lives of children and young adults with special needs.

We as a family are blessed to have an independent, highly social and resourceful son with unique abilities. He holds a full-time job in the family business, has an exceptional work ethic and is the engine that keeps our train moving. We realized this opportunity is available to few!

The de Moya Foundation is committed to creating employment opportunities for young adults with unique abilities by building long term partnerships with the employers and providing support for the employees. We foster hope, confidence and independence to ensure successful employment outcomes and community inclusion.

## WHAT WE DO:

Our main focus is simple-to help young adults with unique abilities reach their full potential and lead them on the road to success by:

- Introducing them into a professional work environment
- Helping them become self-sufficient
- Instilling confidence and independence
- Teaching the importance of self-worth

**“TEAMWORK BEGINS BY BUILDING TRUST. AND THE ONLY WAY TO DO THAT IS TO OVERCOME OUR NEED FOR INVULNERABILITY.”**

# PURPOSE

Miami Corporate Games purpose is to demonstrate to the community that all challenges are conquerable when faced together.

# CONCEPT

The de Moya Foundation exists because challenges exist. We want to bring together community organizations to empower their teams through fast-paced courses, and to change societies perspective about individuals with developmental disabilities such as; Autism, Down syndrome, Intellectual Disability and Cerebral Palsy via first-hand interaction.

Join us with the entire family at the Miami Corporate Games as we provide an enjoyable experience outside the workplace for your business. Solidify your team by creating unforgettable memories competing and engaging in a series of courses. All activities will stimulate co-worker interaction and increase morale. When you're not breaking a sweat, enjoy the company of fellow organizations in the community with great food and live entertainment.

It's not every day that you can interact outside of the workplace with the CEO. The best part is that your company is fulfilling a social responsibility by contributing to an amazing cause. You will make young adults with unique abilities a part of your TEAM!
